(5).Seminar hall(16 hrs)- the Chairperson of the NAAC Peer team shared his observations followed by a few suggestions for the College. (6).The visit ended with the vote of thanks by Dr. Niranjan Mridha, Teacher-in Charge and NAAC Steering Committee Coordinator. Videography of the whole programme was done.We are glad to inform that the College has completed the second cycle of NAAC securing B+.

A college being accredited usually signifies that it has met certain standards of excellence across its operations. NAAC re- accreditation has helped the Institution to know its strengths, weaknesses and opportunities through an informed review process. On the otherhand,NAAC accreditation would help to get funds from the University Grants Commission and Rashtriya Uchchatar Shiksha Abhiyan (RUSA) for further development. Students studying in the NAAC accredited Institutions are assured of full proof education, an education that combines high academic quality with professionally relevant methodologies of teaching. The NAAC Peer team has identified internal areas of weakness. We resolve to carry forward the momentum for further development of the College.
