After going through the feedback given by faculty members it was found that they are satisfied with academic environment, discipline and online admission. Faculty members agreed college provides adequate opportunities and support to faculty members for upgrading their skills and qualifications, the administration is teacher friendly and ICT facilities in the college are adequate and satisfactory. Faculty members also strongly admitted that the college has given teachers full freedom to adopt new techniques / strategies of teaching such as group discussions, seminar presentations and learners' participation. Evidently there is no separate space in college Canteen for teachers. All these issues should be placed before the concerned authority.
