#### Lecture work shop

Respected

1.Dr. Ashim Kumar Sarkar, Principal , Gour Mahavidyalaya,

2.Sri Partha Chakroborty, SDO Malda Sadar and Administrator of our **College**

**3. Dr. Basudeb Basu Prof. Deptt. of Chemistry, NBU but he is now working at the University of Raiganj Uattar Dinajpur**

**4. Dr. Samaresh Bhattacharya, Prof. Deptt. of Chemistry, Jadavpur university and Convener of the lecture workshop**

**5. Dr. Tanmaya Pathak, Prof. Deptt. of Chemistry, IIT, Kharagpur**

**6. Dr. Prasanta Kumar Das, Prof. Deptt. of Chemistry, Indian Association for the Cultivation of Sciences, Kolkata**

**7.Dr. Debojyoti Ghosal, Prof. Deptt. of Chemistry, Jadavpur university**

**8. Dr. Pulak kumar Kundu, Associate Professor, Deptt. of Histry and Coordinator of IQAC of Gour Mahavidyalaya**

**9. Other dignitaries, dear colleagues, teachers and students. All of you are welcome.**

A two day long workshop organized by deptt. of Chemistry, Gour Mahavidyalaya on Recent advances and Current trends in Chemistry. Chemistry is a dynamic subject. Its area is so vast and so many branches that it is very difficult for a teacher to teach covering all the branches of Chemistry. I think, Seminar or Lecture workshop is a one kind of Platform, where many specialist teachers, Researchers deliver their lecture on their research areas or research topics. Researcher's can develop their new ideas or techniques which make the subject matter more easier. We have four renown resource persons. They will deliver on the topic of their research.

I am acknowledging three academic sciences namely

Indian Academy of Science (Bengaluru),

Indian National academy of Sciences (New Delhi)

The National Academy of sciences, India, Allahabad for their financial support. I am also acknowledging Gour Mahavidyalaya. Because Our College is contributing 20% Of the total expences. So Special Thanks are offered to Dr. Ashim Kumar Sarkar and Sri Partha Chakraborty for sanctioning the said amount. I am thanking Dr. Samaresh Bhattachariya for his continuous help and guidance to complete the workshop. I am thankful to Dr. Tanmaya Pathak, Prof. Deptt. of Chemistry, IIT Kharagpur, Dr. Prasanta Kumar Das, Professor Deptt.of Chemistry, IACS Kolkata and Dr. Debajyoti Ghosal, Professor , Deptt. of Chemistry, Jadavpur University for their kind Cooperation. Thanks are offered to Dr. Baudeb Basu. Thanks are due to Dr. Pulak kumar Kundu, for helping me in various ways.Thanks are due to Dr. Abul

Hasan, Associate Professor , malda college Dr. Sbhanakar Choudhuri, Asst. Professor and Dr Sajal sarkar for .I am also thanking sri sanjay sen and Sri shyamal Ghosh and all the members of lecture workshop Committee and all my Colleagues heir help and moral support. I am not elaborating my talk. So I am ending talk with lot of Thanks

National Webinar 22.07.2020

### **Student webinar 15.09.2020**

My dear students. You are aware that the students of chemistry department of Gour Mahavidyalaya is going to organize an online student seminar i.e Student webinar entitled "Coordination and medicinal chemistry" by their own endeavour. I am very much happy to express that ours two old students are the main speaker of this webinar. In this seminar the first speaker is Dr. Mithun Ghosh who was the student of first batch of the Chemistry Honours. Mithun Ghosh is first NET qualified of this college. He is now working as an assistant professor. Dr. Ghosh will deliver a lecture on Crystal field theory. Our second speakers is Sarat Chatterjee. He is studying M.Sc. in final semester at Gour Banga University. Sarat has already qualified CSIR -NET and Set. Sarat will deliver a lecture on Medicinal chemistry. I hope all of you will enjoy the seminar.

At the last moment I am highlighting the history of the department . The department of Chemistry had started its journey in the year 2004 with self finance general courses under the university of North Bengal. After my joining in the year 2010 ,the self finance course has been abolished and Chemistry Honours course has been opened in 2010 with ten seat capacity. In the year 2010, ten students had been admitted. Out of Ten students, only seven students had appeared in the examination and all seven students have passed in the examination.

The students of our first batch who have got job in the different institution or different departments are .

1. Shilpi Biswas High School
2. Paritosh Saha , High School
3. Golam kirbia , High School
4. Satyasen Mandal, Primary School
5. kaji Najrul Islam High School
6. Dr. Mithun Ghosh , Assistant Professor Pt. Sukla University, MP

7. Anamika Some, High School

8. Akbar Mahalat, Post Office

9. Mahafuj Rahaman Chem. Biotech.

10. Gulbuddin Hekmotiar, SACT, Gour Mahavidyalaya

11. Sudip Saha, SI of Police

12. Wasima Banu, Post Office

13. Sounak Sengupta, Primary School

Only 13 members of our big family have established. If SSC would be continued, then many of our students could get job. But we are now going through in a very bad situation of the country as well as our state. In this challenging We hope that We must overcome this situation very soon. Don't disappoint yourself

Now I am telling another kind of students who qualified NET. There are seven students who qualified NET since beginning are .

1. Dr. Mithun Ghosh

2. Biplab Rajbansi

3. Amir Sohel

4. Naba Mandal

5. Afroja Khatun SET

6. Selim ali

7. Sarat Chatterjee

So on behalf of the department of Chemistry I welcome all the participants and main speakers. I am thanking the convener of the seminar, Mr Mridul Mandal student 2<sup>nd</sup> semester, Sri Samir Saha and Manisha Saha for their good performance of organizing the seminar. I am not elaborating my talk. So I am wishing a grand success of the seminar with your full cooperation and help. Thanking all.
