INSTITUTIONAL DISTINCTIVENESS

01.06.2016 to 30.05.2021

GourMahavidyalaya ,Mangalbari, Malda, has a mandate of relevant issues such as adoption of ICT tools to ensure quality education and generate environmental consciousness and sustainability. These objectives are reflected in main activities of our Institution. Being the premier institution in semi-urban area dominated by S.C.S.T. OBC-B, and Minority students (52%) the College has a particular mission of mainstreaming such peripheral and marginalized sections of the society by empowering them through education, training and counseling. The vision of the

college is to empower them through proper education. Quality education is impossible without innovative technology.

ICT upgradation : 2016-2021: Gour Mahavidyalaya has partly adopted ICT enabled e-governance to ensure timely, efficient and progressive performance of academic, administrative and financial units. The Institution has provided at least one computer with internet connection to each department and also to the office staff.

Internet: Faculty members, members of the non-teaching staff and students can access the internet facility. There are 14 points for internet connectivity and 2 browsing centers.

College website: The college website can be accessed via URL: www.gourmaha.org.in. The Website is the primary means by which prospective students learn about the institution. Students, Guardians and stakeholders gather information from college website and take decision regarding ward's admission, can access necessary notices, results, announcements and all the updates regarding the academic and administrative activities.

One of the objectives is to develop consciousness of civic responsibility among the students through community service and establish a linkage between the College campus and village community. The other objective is to implement service learning technique through community service. The extension activities are carried out through the following units: (1). Outreach programme committee. (2) N.S.S. unit-I (volunteers -100-Sri Rakesh Sarkar, Programme Officer); and N.S.S. unit-II (Volunteers-100, Sri Arup Roy, Programme officer), Eco Club (Dr. Syffujaman Taradfdar, Convenor) and Beautification Committee (Smt. Urmimala Basak Roy, Convenor).

One of the objectives is to inculcate a value system among the Students. Our environmental ethics is to make the college campus more sustainable and eco-friendly. A Green campus is a place where environment-friendly practices and pedagogy together promote sustainable and eco-friendly campus. Green campus is a holistic attempt at making environmental awareness among the students as an intrinsic part of the life and ethos of the Institute. Green campus endeavors to

extend learning beyond the classroom by developing responsible attitudes and commitments among the students leading to eco-friendly activities at home, village and college campus as well as in the wider community. Rain Water Harvesting Plant and Solar Power Energy Plant have been established. Green campus initiative helps to create environmental awareness. Many Gardens have been developed:
